

BIO-INSPIRED FUNCTIONAL MATERIALS

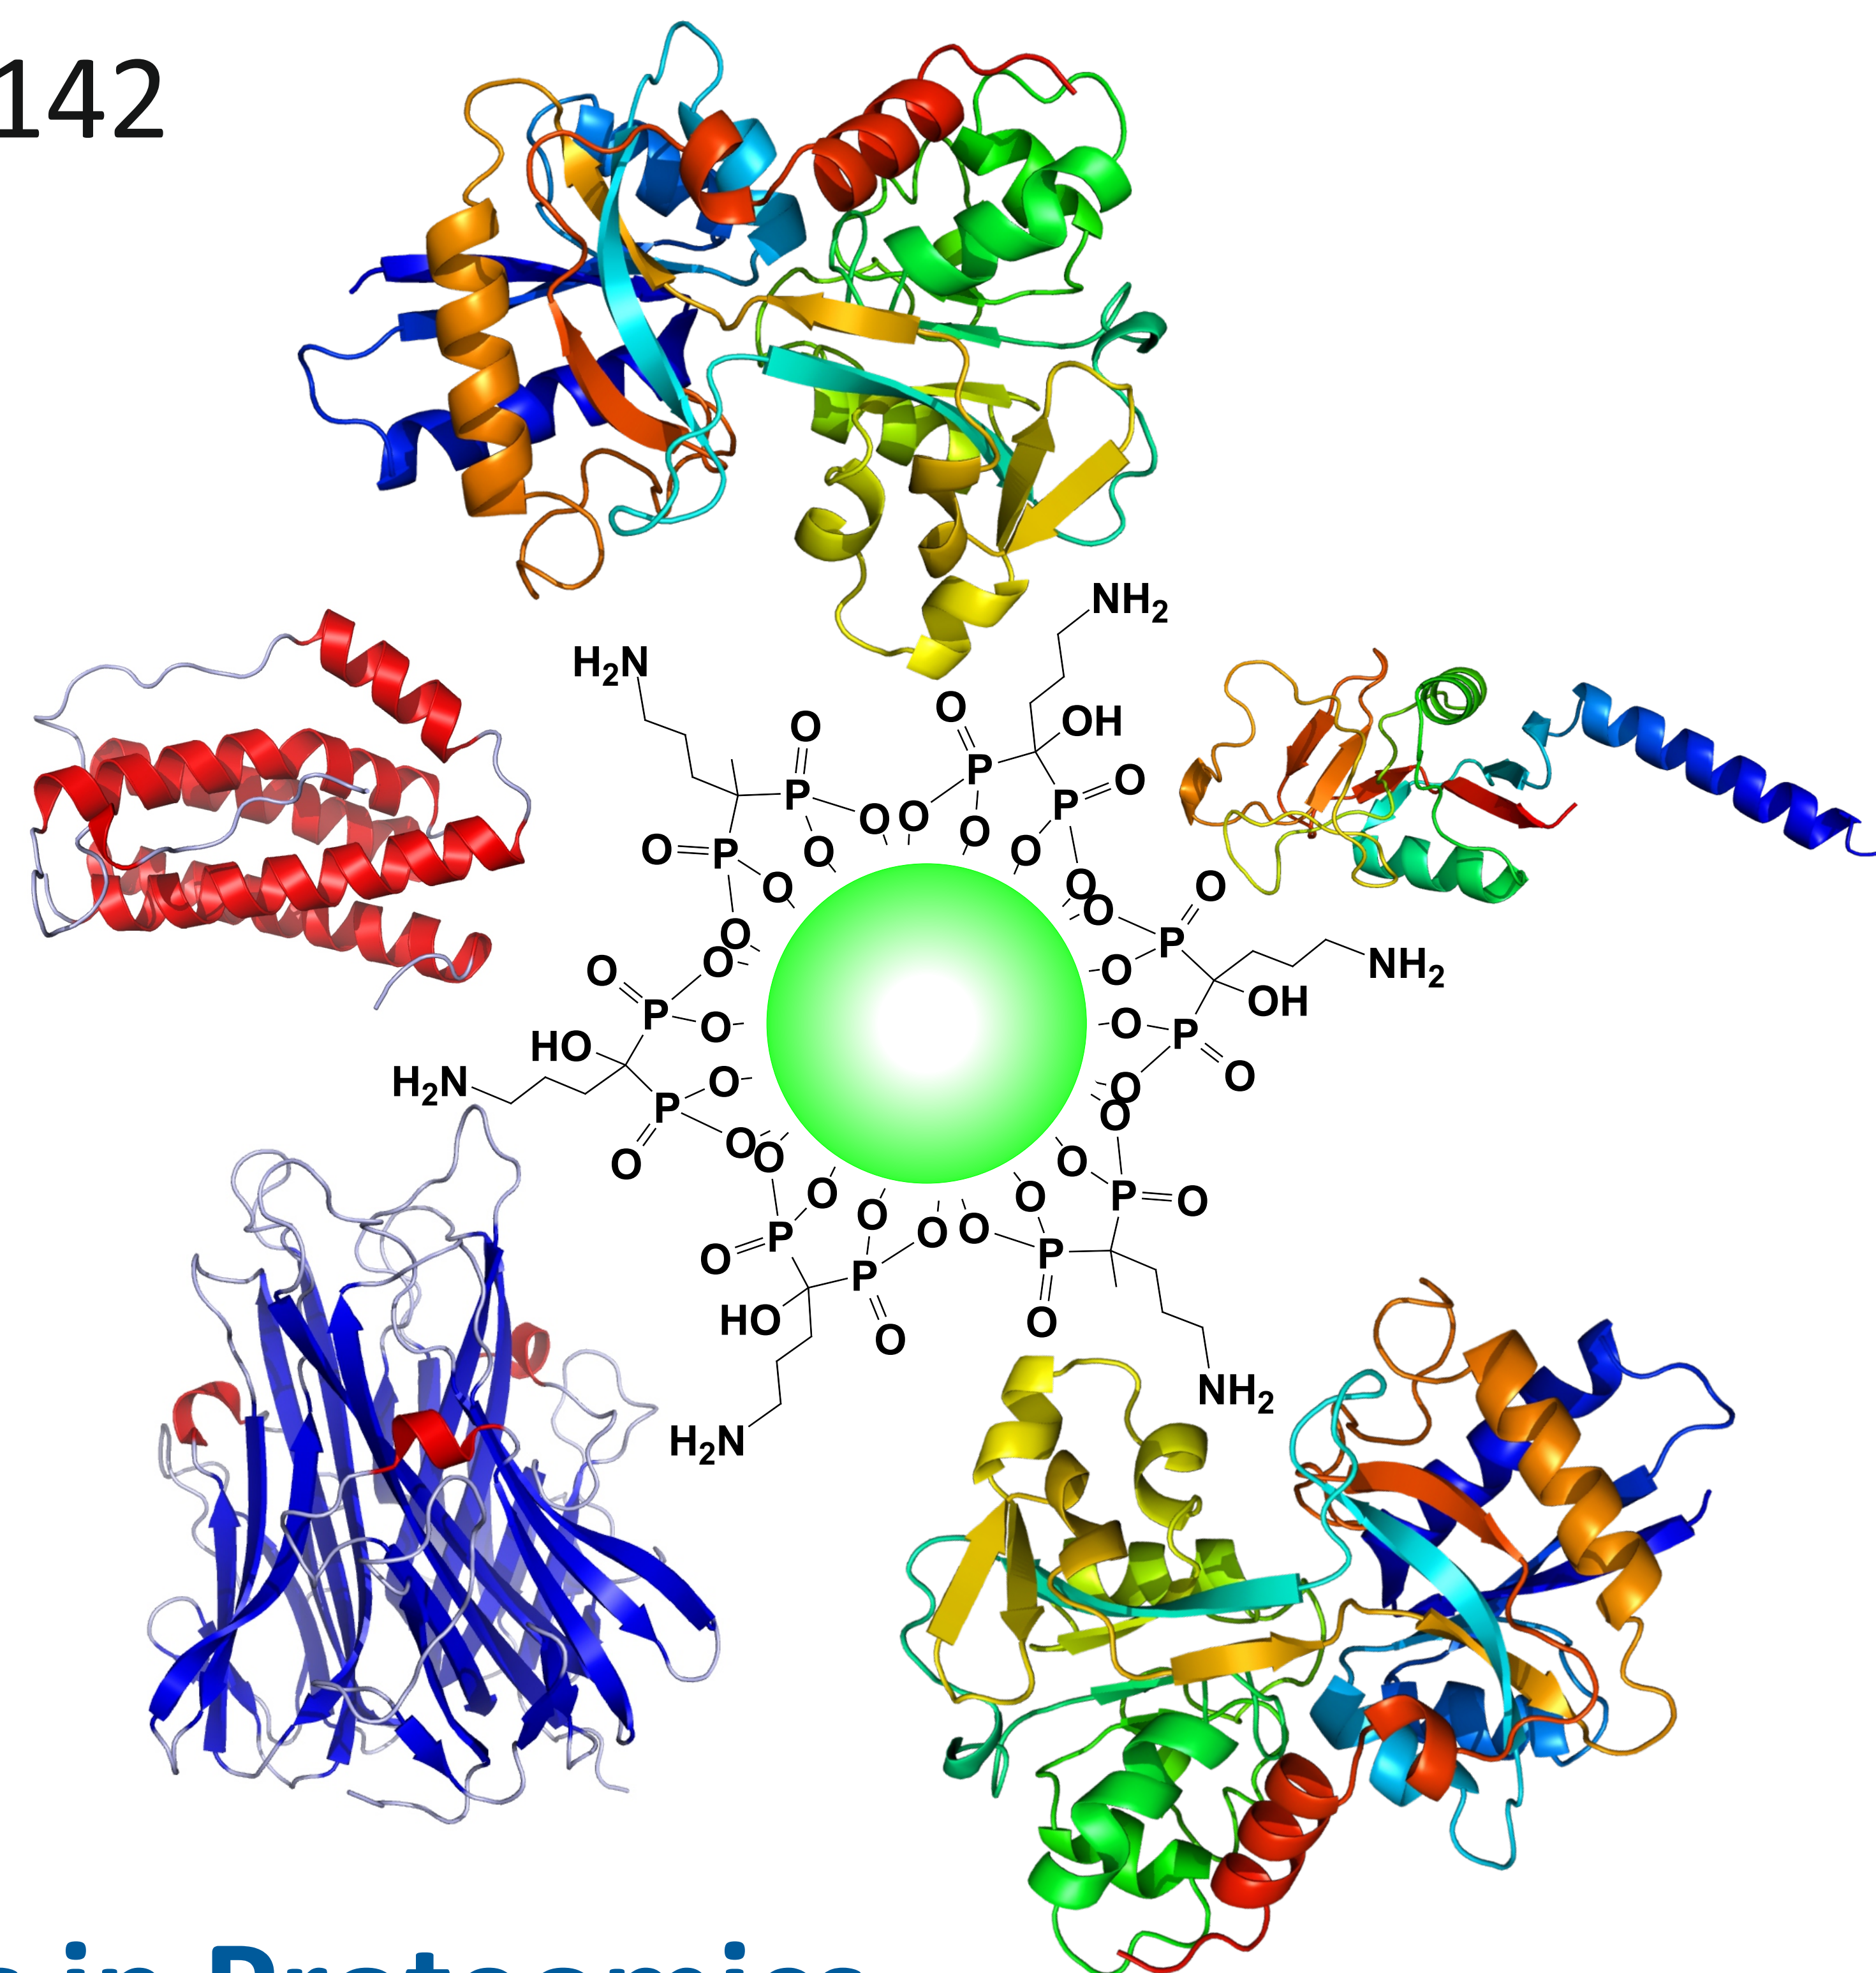

Venue: Building 801, Lecture Room P 142

July 3, 3-4 p.m.

Upconversion: Odyssey

Prof. John A. Capobianco

*Department of Chemistry and Biochemistry
Concordia University Montreal
Montreal, Canada*

July 5, 3-4 p.m.

From Nano to Macro: New Tools in Proteomics and their Application in Personalised Medicine

Prof. José Luis Capelo Martínez

*Chemistry Department
Universidade NOVA de Lisboa
Lisbon, Portugal*

July 12, 4-5 p.m.

Very Bright Lanthanide Cellular Probes and Stains

Prof. David Parker

*Department of Chemistry
Durham University
Durham, United Kingdom*

Organized by

Dr. Holger Stephan
Dr. Kristof Zarschler

*Institute of Radiopharmaceutical Cancer Research
Nanoscalic Systems Group*
