HZDR SUMMER STUDENTS PROGRAM 2017 IN DRESDEN

About HZDR Helmholtz-Zentrum Dresden-Rossendorf (HZDR) is located in Dresden and is part of the Helmholtz Association, Germany's largest research organisation. It houses eight institutes as well as four large-scale facilities. Joining HZDR, summer students will have the opportunity to work in the fields of

- matter,
- energy,
- health and
- technology.

Projects and Lectures Summer student projects will be selected in a competitive process from a list of proposals provided by research groups at HZDR in order to find the perfect match for each student. Individual work in the research groups will be accompanied by a lecture series open to all summer students that will provide insight into the research performed at HZDR.

Financial Support HZDR summer students will receive free accommodation as well as a stipend to cover additional costs. Please see our website for more information.
