

Lecture

“ If It's Not pinched It's Not A Memristor ”

of

Prof. Dr. Dr. h. c. mult. Leon O. Chua

Department of Electrical Engineering and Computer Sciences
University of California
Berkeley
USA

Abstract

This one-hour lecture will address and rectify several nonlinear and circuit-theoretic aspects of the memristor that have been incorrectly interpreted and published in the literature.

Friday, 13.03.2015

Start: 10:00 a.m.

**Barkhausen-Bau, room BAR/106/H
Helmholtzstraße 18, 01069 Dresden**
