

## Positron Studies of Defects (PSD-17)

Helmholtz-Zentrum Dresden-Rossendorf  
September 3 to September 8, 2017

Dear participants of PSD-17,

we would like to remind you that the deadline for your **accommodation reservation** is very soon. There are still rooms available until August 4<sup>th</sup> at Ibis Hotel Dresden and Star Inn Hotel Premium Dresden for a reduced room fee (reservation code: PSD-17 – HZDR). In addition, there are still a few rooms in the HZDR Guesthouse. You can find all required information on our homepage: [Link](#). Please book your room as soon as possible directly at the hotel or guesthouse.

**Bus shuttle service from and to HZDR:** We would like to plan now the bus shuttle service which will be free for you. For all of you who would like to use this service, please tell us the name of your hotel. *Please send this information to Anne Varga* ([a.varga@hzdr.de](mailto:a.varga@hzdr.de)). The bus will pick you up at the hotel at 8 a.m. and will return from HZDR at 6 p.m. On Friday we will have the shuttle bus to the city at 1 p.m.

We will send you the **last circular** one week before PSD-17 with travel information and the book of abstracts.

We would explicitly encourage you to bring **recent results on posters** with you (format A0 portrait). This does not require to send an abstract, just send the title of your poster together with the list of authors to Maik Butterling ([m.butterling@hzdr.de](mailto:m.butterling@hzdr.de)). We will soon add further information to our website such as the program and the book of abstracts: <http://www.psd-17.org/>

For further questions please feel free to contact Anne Varga or one of us.  
With our best regards!
