

Title

(Please provide the title of your proposal)

Project description

1. **Scientific Background** (including related own earlier results)
2. **Motivation for the proposal**
3. **Experimental plan** (detailed description of the planned experiment including relevant technical details)
4. **Justification of beamtime requested** (based whenever possible on count rate estimates)
5. **Results expected and impact**
6. **References related to the proposal scientific text**

Layout:

- The project description is limited to three pages
- The minimum font size allowed is 11 pt, the minimum line spacing is 1 line
- All margins should be at least 15 mm
- The use of figures is strongly recommended

Note that the document needs to be converted into pdf format before uploading.
